Issue 20 - SPRING 2012

John Barnett (HCRA Chairman) pictured receiving his award at Durham County Council's Chairman's medal award ceremony.

*Hi folks,*

It is time for the Spring Newsletter, in which we keep you up-to-date with what is happening. I have attended several charity events, which keeps me in touch with what is going on in surrounding villages. We have set up two working groups and both are doing extremely well.

The flower and vegetable show this year will have a children's section for the first time in its history, and it is hoped that all the local schools will be getting involved this year.

The Queen's Diamond Jubilee is on Sunday the 3rd June and for this special event we have a variety of activities going on in the Welfare Park, including the group "Central Park". (event details on page 4). We have medals to give away and lunch boxes to distribute, more information will be available at a later date. A big Thanks to everyone who has worked extremely hard to organise these events and to the staff who have volunteered to work on this day, we hope the day will be an extremely happy and memorable day for everyone.

The Community Plan is well under way. We have another couple of meetings then we can start to put the plan into action.

The Olympic Torch will be coming through Horden on Sunday 17th June between at approximately 10am. There will be a bouncy castle in the Memorial Park to keep the young one's entertained, so come along and give you're support!

Chairman

*Jean White*

Please Note: Horden Colliery Heritage Centre is now open every Thursday between 10am and 12noon.

## Royal Trees for Horden and Easington!

Working with Durham County Council, Durham Heritage Coast, Horden Regeneration Partnership, Easington in Bloom and Northumbrian Water,

Registered Social Landlord Accent Foundation is this month planting two acres of trees on Durham's Heritage Coast at Horden and Easington Colliery.

The native trees, including two Royal Oak saplings grown on the Queen's estate, will create new woodland areas with planting and involves community volunteers and local agencies over two days to celebrate the Queen's Diamond Jubilee. The trees have already been planted at Horden and any residents and local groups interested in joining in the planting at Easington Colliery should contact Accent Community Organiser: Michael on 0191 569 1507.

Accent is one of thousands of organisations across the UK helping to plant a total of 6 million trees as part of the Woodland Trust's Jubilee Woods Project which will create a lasting tribute for many years to come.
